This Web page is about Placement and training Company

Placement training plays a major role in shaping up the career goals of students.

It is the dream of every engineering student to get placed in a top organization

visiting their campus for recruitment. Keeping this key aspect into

consideration, it is realized that training is important for engineering students to

enhance their employability skills and achieve good placement in various

Industries. Training and Placement Cell is to guide students to choose right

career and to give knowledge, skill, and aptitude and meet the manpower

requirements of the industry.

ABOUT QUIENT GROUP

The prime objective of the Training Cell is:

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programs.
- To build confidence in students and develop the right attitude in them and enhance their communication skills.
- Create awareness about “career planning” and “career mapping” among the students.
- Equip the student with life skills.
- Train the students on “Personality development”.
- Organize Various Training programs to train the students in the areas of Quantitative Aptitude, Logical Reasoning and Verbal reasoning through the reputed external training organizations and in-house trainers.
- Train the students through Mock Interviews to perform well in the professional interviews as per the expectations of the corporate world.
- Train the students on group discussion techniques.
- Conduct online tests and written aptitude tests.

<h3 id="h3">TESTIMONALS</h3>

<p class="para3">It was my immense luck and fortune to be the part of Sharda University where I can grow. The entire faculty and department leaves no stone unturned to shape one\'s future. My four years at Sharda have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department. It\'s their efforts that make me to count myself into better professionals.</p>

<p class="para3">My sincere appreciation & gratitude to the Training &

Placement Department and all faculty members of RAMA University for their efforts in imparting quality technical and aptitude training. I am very grateful to them for effectively and sincerely helping me to grab first ever opportunity that came into my life.</p>

<p class="para3">" It has been a great experience at DesignTech for me, right from counseling to placements. Training at the institute helped me comprehend the designing tools at professional level. I would like to thank DesignTech as I got placed from the institute. Along with the software training, we were also guided for interviews and it did help me. "</p>

<p class="para3">So far, it was an immense pleasure for me to be a part of this prestigious university. I have learnt great things here during my journey of 4 years in the companionship of excellent teachers and some gem friends which would surely help me to enlighten my future ahead.</p>

<p class="para3">My experience at Sharda University is great and memorable. The mentors at Sharda University helped us enhance my academic and interpersonal skills. I am thankful to Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them. In the last I am saying that The World is here at Sharda University.</p>

<p class="para3">Due to the efforts made by the faculty and placement cell at Sharda University i was able to bag a job in the second company that i applied for. They always provided me with the assistance that i required for my overall development and to improve my technical knowledge. I will always be

grateful to them for providing me a platform of practical learning and preparing me for the corporate life.</p>

ABOUT US:

Why is Placement training important?

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various Industries. At present, the competition for employment is increasing every day and placement has become a challenging task. Training students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, the development of a holistic personality is also necessary.
